The Department of Public Works is pleased to announce the release of the Final County of Los Angeles Bicycle Master Plan (Plan). The County Regional Planning Commission (Commission) will conduct a public hearing that will be open for public testimony concerning the Plan and Draft EIR on November 16, 2011. Since the Final EIR is not expected to be released until the end of November 2011, the Commission will need to continue the public hearing to a future date to approve the Final EIR and Plan. Following Commission approval, we will present the Plan and Final EIR to your Board for a final public hearing and formal adoption. Attached is a copy of the public notice that was mailed to stakeholders. Copies of the notice were also published in the *L.A. Times* and *La Opinión* newspapers.
